

# Request to carry a wireless telecommunication device/phone

**Student Name:** \_\_\_\_\_

**Banner Public School requires this form be kept on file for each student requesting to carry a wireless telecommunication (WT) device/phone while on school property.**

**I have discussed the school policy with my child and the understanding that it must remain in the off mode while on school property unless permission to turn on the device is granted by the Superintendent/Principal. The device is to remain in a backpack/locker while at school. A Student that is found to not be in compliance with our policy will be at risk to lose the right to carry a WT device/phone on school property.**

**Parent /Guardian Signature:** \_\_\_\_\_
